QUICK SAFETY REVIEW

CONTINUALLY ASSESSING SURROUNDINGS

1. When driving, always scan your cushion of safety and blind spots.
2. Perform a walk-around before moving your vehicle.
3. Use extreme caution whenever backing up a vehicle.
4. Scan neighborhoods for security and safety risks like loose dogs.
5. Let others know where you are working.
6. Wear full P.P.E. and look professional.
7. Keep your phone handy in case it's needed.
8. Carry dog repellent spray.
9. Check your surroundings every 20 seconds.
10. Avoid wearing headphones. Be able to hear.
11. Avoid texting and walking. Pay attention.
12. Immediately leave if you feel threatened.

SECURITY CONCERNS:

- ✓ Loose dogs.
- ✓ Trespassers.
- ✓ Angry homeowner.
- ✓ Angry pedestrian.
- ✓ Wild animals.
- ✓ Criminal activity.
- ✓ Theft.
